Commission

## CITIES Forum 2020

Together we shape  
a sustainable urban future

Porto, 30-31 January 2020

# Overview

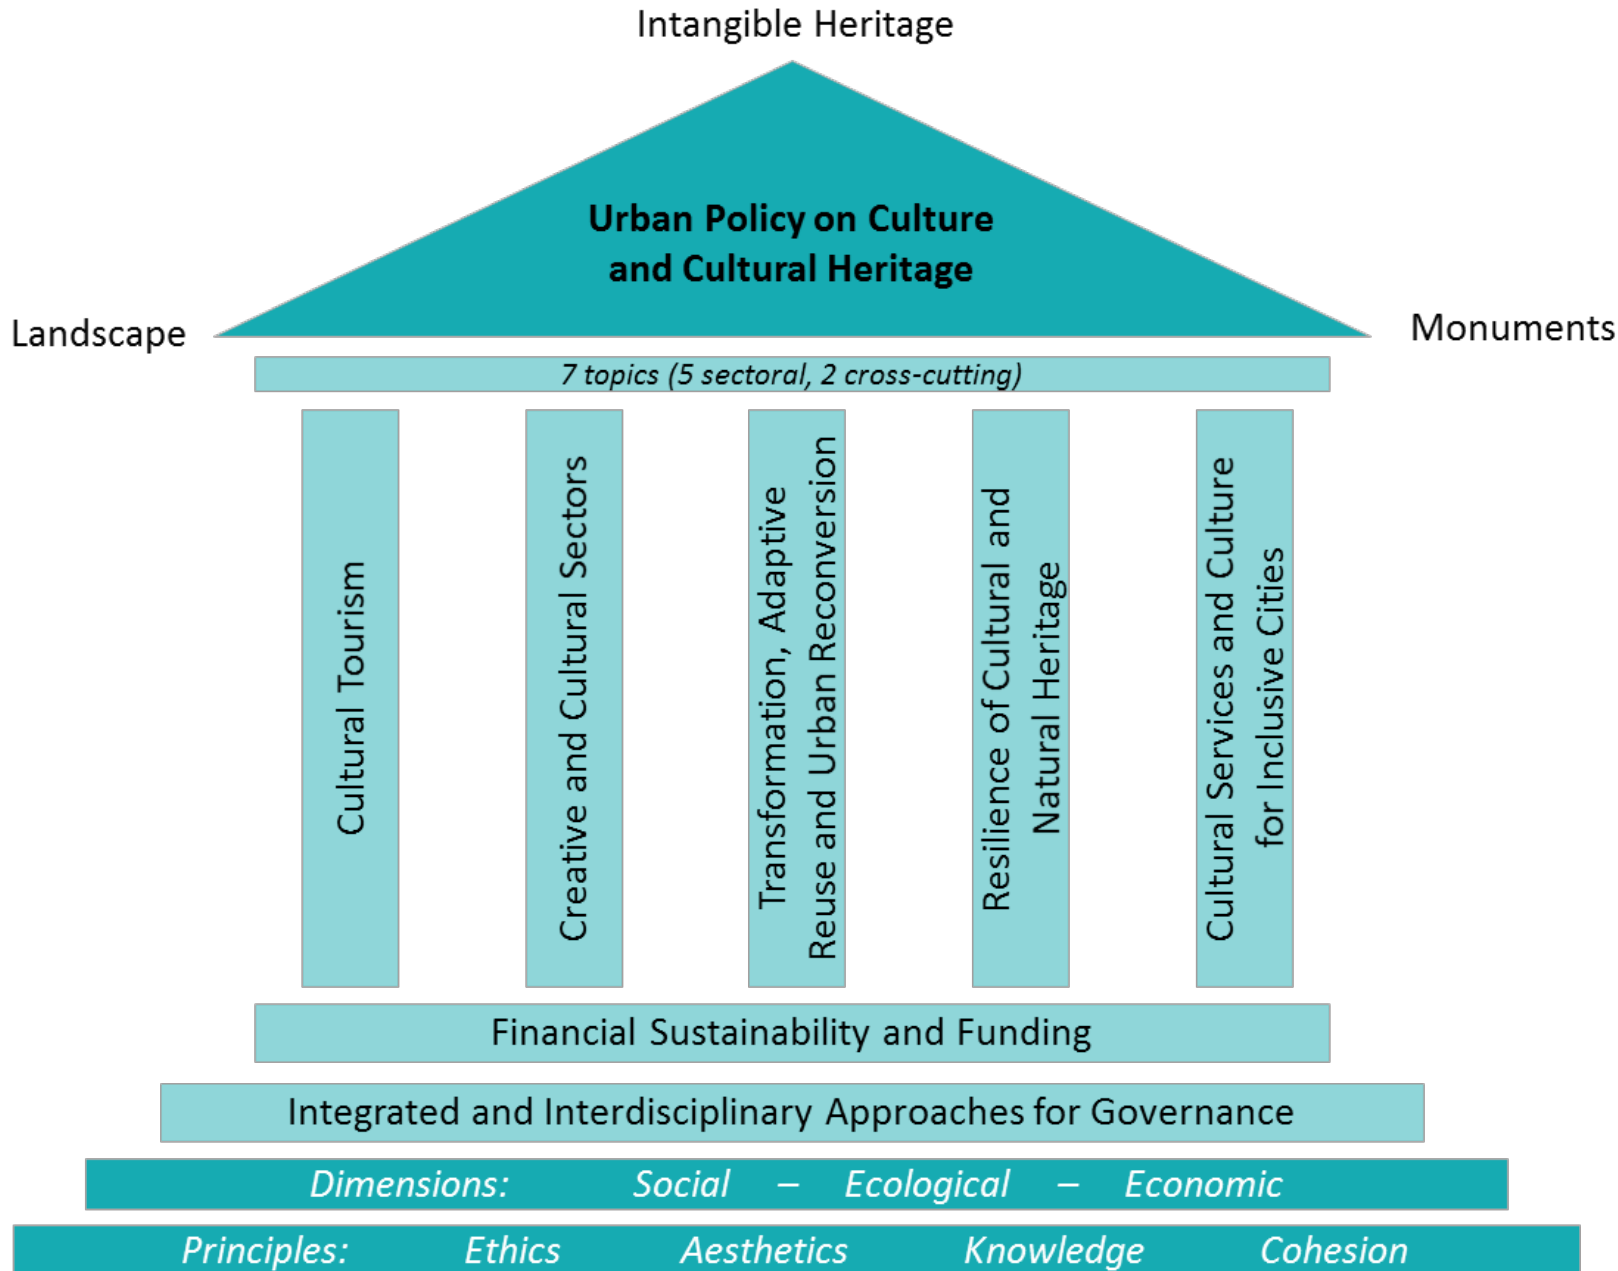

- Culture and Cultural Heritage are drivers for urban development.
- The quality of landscape and built heritage is not an objective in itself, but it is a powerful tool aimed at achieving social, ecological and economic goals.
- The Partnership has developed a holistic and integrated approach: the 5+2 pillars

Porto.

# The Architecture of the urban policy related to Culture & Cultural Heritage

CITIES Forum 2020

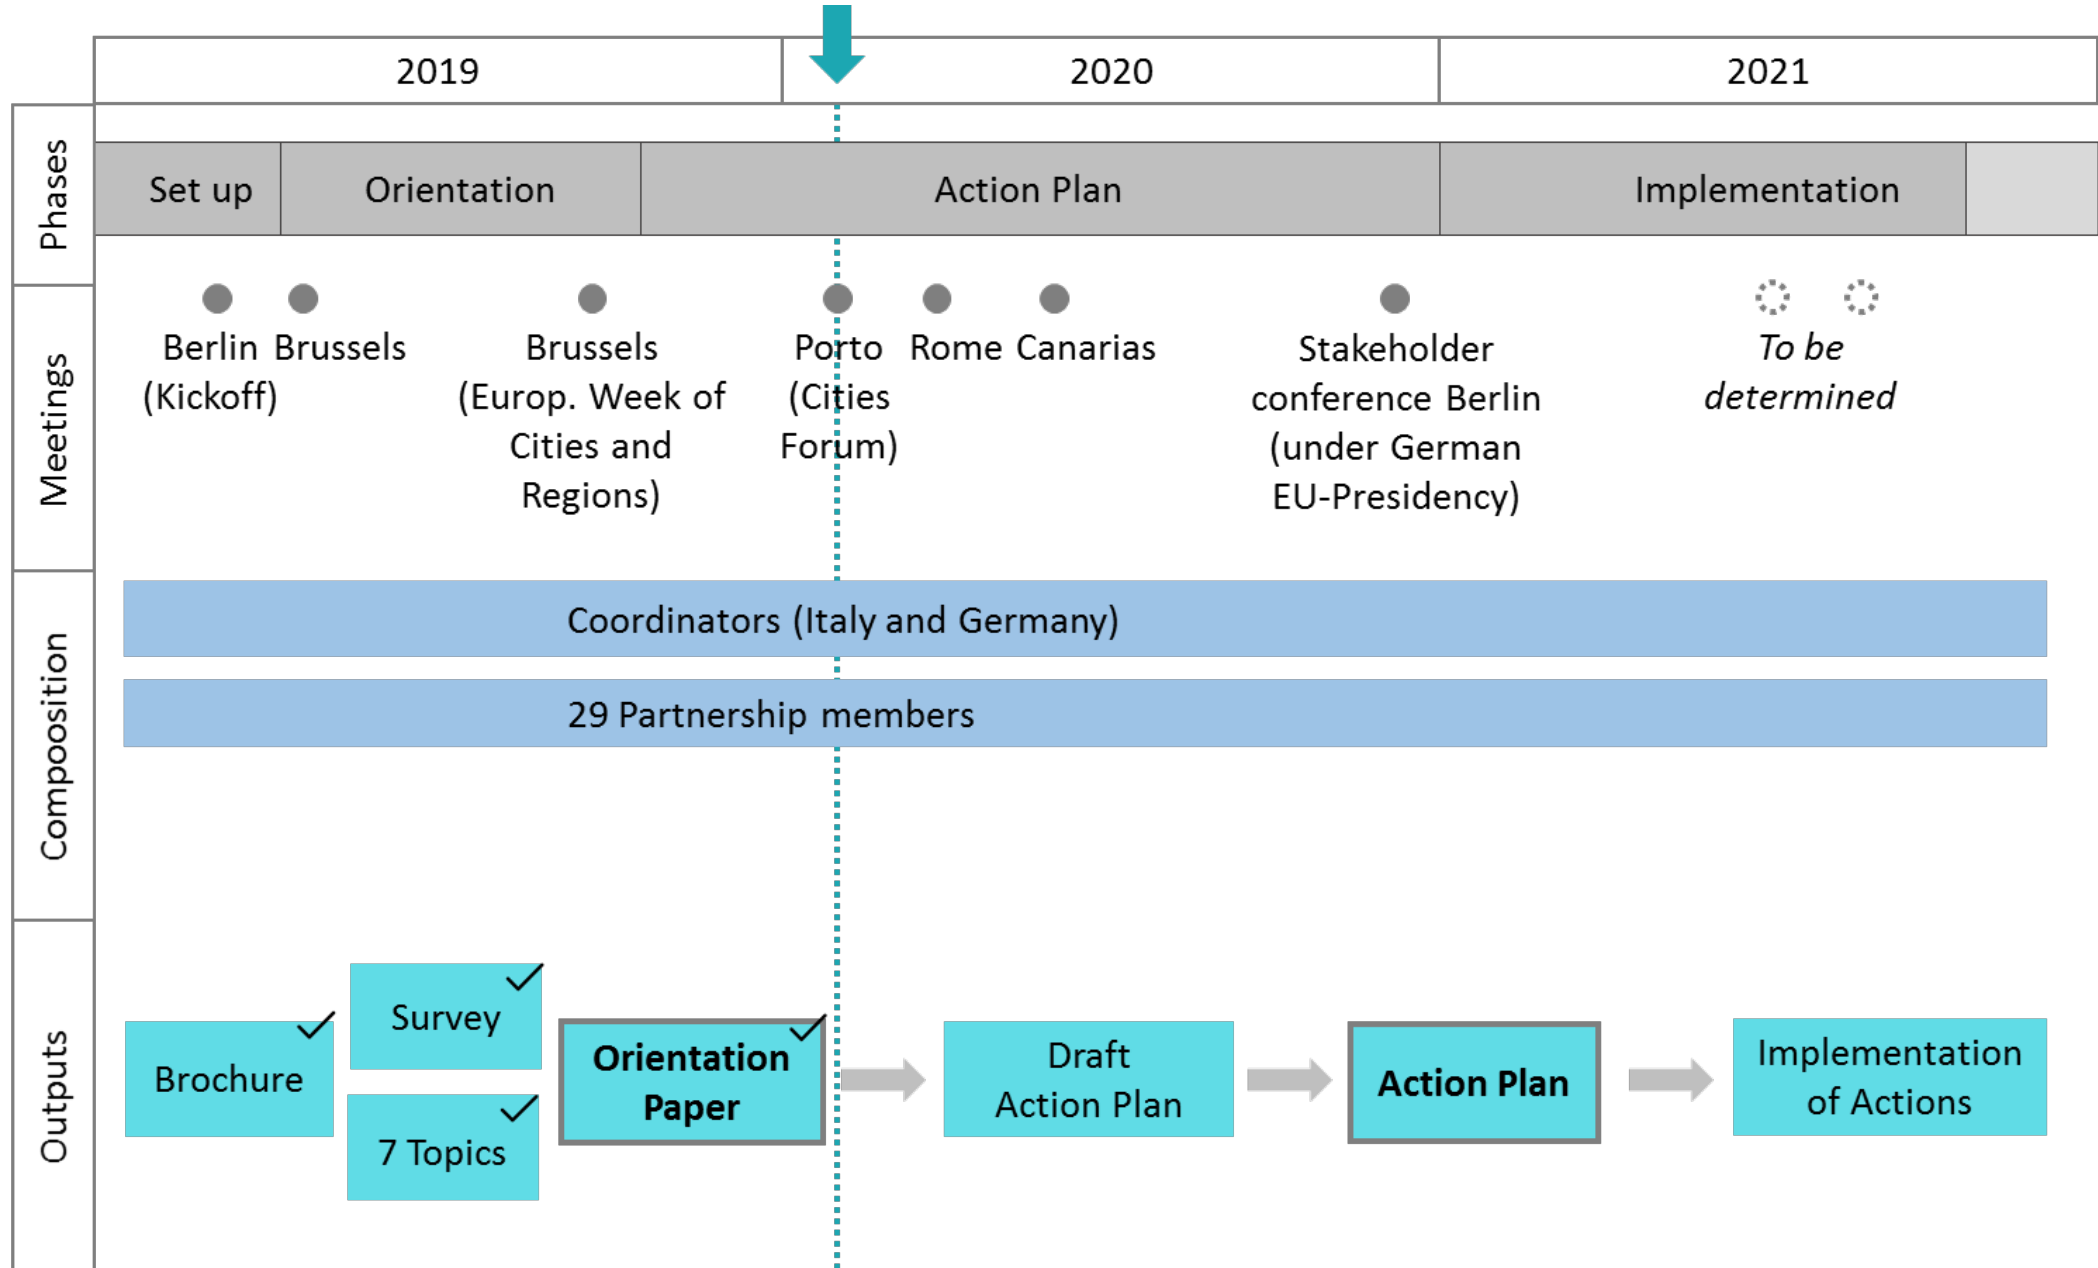

Together we shape  
a sustainable urban future

Porto, 30-31 January 2020
